## Registration of Tea Plants Nurserymen under Seeds Act

All those who deal with seeds and planting materials should register with the Director in Charge of Seed Certification as per Section 8 of the Seeds Act No. 22 of 2003. Producing, storing, transporting and selling of seeds and planting materials is prohibited from year 2026 for those who are not registered as above.

Therefore steps should be taken to perfect the form given below and hand it over to an office mentioned below to start the relevant registration process before 07th October 2025.

As per the provisions of the above said Act, permission will be granted in the future for the sale of only the tea planting materials certified as conforming to the standards and action will be taken for discarding the tea plants that are not in conformity to the required standards.

You are hereby notified to provide your information to the relevant offices without any delay as only the applicants who register for dealing with planting materials after providing the information will be considered for certification of tea planting materials.
